

Carlton Park Surf Life Saving Club

2020/21

Swimwear and Parka Catalogue

Members representing the Club in competitions are encouraged to wear Carlton Park SLSC bathers and wear club apparel. Skull caps(which tie under the chin) and hi-vis pink vests or rashies are **essential** for all water based training and competition activities.

A large annual swimwear uniform order is usually placed at the start of each season and members are welcome to order whatever they wish. The club can only place one order each year for swimwear. Only a small amount of additional stock is held and sold by the Club. Likewise caps and hi-vis wear is limited to one order each year.

There is a variety of other Carlton Park SLSC uniform items available for purchase including polo shirts, t-shirts, caps, hoodies, beanies and shirts. A separate catalogue and link to online order form for these on the website

The **swimwear and jacket uniform** items are displayed below. There is a separate catalogue for other uniform items. Both catalogues and a link to an online order form are on the club website.

Payment will be by EFTPOS or cash on collection.

Complete and submit the **online order forms** or contact Uniform Coordinator gayeoakes@gmail.com

Size charts are embedded in the online order form and are also at the end of this document and the Uniform Catalogue
