Season Calendar	20 & 21

welcome To Season 2026/2027

Welcome to season 2026/27 of the Carlton ParkSurf Life Saving Club Inc.
Our committee would like to extend a warm welcome to all Nippers and their families to another great year at Carlton Park.

Nipper parents (at least one) are required to join the Club as an Associate member and provide WWVP details to the club as per SLSA policy. We request you assist where possible with the management and coordination of training days. By joining the Club, parents are covered by insurance against accidents on the beach, at carnivals and sanctioned surf club activities, and have access to the Club facilities and functions. It is your club, so please enjoy.

Assistance with the training and activities is actively encouraged. Whether that takes the form of Water Safety, turning markers (in and out of the water), sunscreen applicators, blowing a whistle, minding towels and jackets or just another person to race against.

You will also be rostered for occasional set up and BBQ/canteen duties. These are vital activities so please make yourself available when requested.

A parent must remain on the beach throughout Nippers in case of an emergency.

We will be signing children in at the beginning of sessions and out at the end to keep our kids safe on the beach. This will be through the wristbands, so please bring these along every week. If you are new to the club we will provide you with a wristband. If you have lost your wristband these can be purchased for $20.00. Please understand training is not a drop off and pick up scenario and why should the children be the only ones to enjoy all that the beach and our clubhouse have to offer!!

Our objective at Carlton Park is to educate our children to be competent and safe in the beach/surf environment and to explore the pathway that Surf Life Saving provides, from Surf Sport to Lifesaving, all the while developing life skills, trust and leadership for a better community.

Surf knowledge and skills are gradually introduced to children commensurate with their age and ability and in accordance with a Nationally endorsed program within the Junior Development Resource (JDR).

Ultimately at the age of 13 they can attain their Surf Rescue Certificate and then progress to Bronze Medallion and beyond.

Whilst all children are encouraged to improve their surf skills through regular competition, no child is forced or pressured to do something they are not comfortable with, or do not want to do.
All participants will receive a Pre-Competition Evaluation to ensure Age Managers, Coaches and Parents are aware of which stage of development the participant is at. Water Safety/ Supervision ratios are based on these evaluations to ensure a safe and inclusive environment to nurture progression and foster implicit confidence.

Our first and foremost aim is for the children to have FUN at Nippers and enjoy coming to the beach each week and to see that the pathway includes many outcomes and the resources to achieve them.

Developing future leaders is a focus at Carton Park and we appoint Junior Captains from our Under 14's each season and we also nominate a candidate for State Junior Lifesaver of the Year. We encourage all eligible Nippers to apply.

Coaching in both water and beach events is available to all Nippers who wish to improve their skills. We have coaches to enhance our basic water skills and to improve our competitive performance, however, we do not teach swimming and encourage parents to enrol children in swimming training.

Social events and fundraisers will be held throughout the season. All profits go towards new gear for the Nippers so please get involved.

We hope you enjoy your season at Carlton Park.

Your Junior Management Team

Junior Manager - Melina Ranalli
Junior Education Officer - Kirsten Brett
Junior Training Officer - Andrew McCann, Chris Wright and Pat Burke
Age Manager Co-ordinator - Zuleika Ashwood and Harley Crockett

Registration and Fees

Get involved and make a difference. There is a place for everyone at Carlton Park. Members aged 18 years or over must hold Working with Vulnerable Persons Registration. Please nominate Carlton Park on your existing RWVP accreditation or provide evidence (your number) of your application when applying for, or renewing, membership.

Our club requires a parent/guardian to become an Associate member and provide WWVP details to the club in line with SLSA policy. As an Associate you are able to complete some club awards, such as first aid, and are also covered by insurance.

Ticket To Play

We are an Approved Activity Provider for 'Ticket to Play' which aims to increase the number of young Tasmanians playing sport. Many Carlton Park families use it.
Each financial year it provides two vouchers up to $100 each towards club membership for children aged 5-18 years and who are listed on a Centrelink Health Care, Pensioner Concession Card or in Out of Home Care. Vouchers can be used at two different activity providers or both can be used at one activity provider. Learn more about Ticket to Play
https://www.communities.tas.gov.au/ticket-to-play/about-ticket-to-play

When completing the on-line steps to join or renew membership those using 'Ticket to Play' can select this option & pay online. We ask that after completing your registration you email a copy of your voucher to our Registrar. For any queries regarding registration please contact our Registrar Nell Clothier at
carltonpark.registrar@gmail.com

Age Groups

U/8 to U/14 MEMBERSHIP

Age groups for competition are minimum age of 7 years (U/8) up to a maximum age of 13 years (U/14) on a seasonal basis.

Saturday Nippers

Our first club training day will be **Saturday 14th November 2026, from 10:00 am**. This is also a come and try/information day for new comers. The objectives of Carlton Park Nippers are to ensure all children and parents who are registered with the Club are provided with:

- The best possible facilities to enjoy their activities
- A safe and inclusive environment for all
- A Lifesaving pathway through annual skills and knowledge proficiencies
- A Surf Sports pathway for those seeking competition
- Opportunities to develop leadership skills and team building values
- Clear outcomes and resources for a long life in Surf Life Saving

PRE-SESSION ASSEMBLY To ensure that Nipper activities can commence promptly at 10:00 am, all children are requested to assemble on the concrete area behind the club rooms at 09:45 am with their gear on and ready to go. This includes signing in with their wristbands.

What To Bring

For general training sessions, we recommend you bring the following items:

Skullcap
Pink rashie
Wristbands
Wetsuit* (not compulsory, however many children get cold quickly and this directly impacts their enjoyment of the sport)
Swim googles
Sunscreen
A t-shirt (to cover up from the sun when participating in beach events)
A hat (as above)
Towel
Water bottle
Healthy snack

For competitions - add your club bathers.

***During competitions officials will make a decision on the day as to whether wetsuits are permitted. This will dependent on the conditions and the relevant age group of the children.**

AGE MANAGERS

Age Managers are usually volunteer parents of Nippers children and are allocated to each age group with responsibility for organising and conducting the various Nipper activities. The main responsibilities of the Age Managers are as follows:

- Encourage the children of their age group to participate in all Junior Activities.
- Keep weekly records of each child's attendance and proficiency achievements.
- Deliver the JDR resources and assess participants on their newly acquired knowledge.
- Marshall children into their age group at carnivals.
- Assist in the development of Surf Awareness generally.
- Induct children into the carnival protocols.
- Keep children and parents informed of Club activities, carnivals, competition dates, etc.
- Parents are encouraged to make themselves known to their child's Age Manager and to offer assistance when required.
- If you have any feedback, questions or concerns or if your child has any medical condition that may restrict him or her in any way, please speak with your Age Manager and/or Junior Activities Co-Ordinator.
- Age Managers are not child minders.
- Parents are required to be on hand during Nippers and to resume responsibility for their child at the conclusion of the session.
- Children MUST obtain their parents' permission prior to re-entering the water upon completion of the day's events and swim between the flags.
- Skull caps must be removed at the completion of the Junior Activities session.
- If you have to leave before events are finished, please inform your child's Age Manager and sign out your child.

PHYSICAL TRAINING

All training is subject to having appropriate water safety and weather conditions. Contingency plans for both of these scenarios have been taken into account when planning the schedule for the 2026/27 season. During a Statewide Event, the following races form the schedule for the carnival. A large part of our physical training sessions revolve around improving performance in these areas and, in turn, increase our physical capacity if and when a rescue situation arises.

BEACH EVENTS	WATER EVENTS
BEACH SPRINTS	SURF RACE/SURF TEAMS
BEACH RELAY	SWIM WADE/SWIM TEAMS
BEACH FLAGS	IRON PERSON
ALL AGE RELAY	BOARD RACE
1 KM BEACH RUN	BOARD RELAY
	BOARD RESCUE
	CAMERON RELAY

LIFESAVER TRAINING

To complement our Surf Sports training, we at Carlton Park schedule regular sessions to address our annual Age Group Education Awards.

These modules are all contained within the JDR Passport in your SLS Members Area and have been developed by Surf Life Saving Australia to ensure that there are resources for Age Managers and Junior Activities participants to learn about our core business....making our beaches safe.

These modules range in content from Beach-to Sea Signals, basic First Aid, C.P.R., Radio use, Identifying Rip Currents, Rescue Techniques and Patrol Procedures...to name a few.

All parents and helpers are welcome to attend and participate in these sessions.

REASONABLE ADJUSTMENT

Training sessions will be designed to maximise participation and inclusion, this will sometimes mean spontaneous modification of what has been briefed and will be at the discretion of the Junior Activities Team.
Our events are still conducted on days when light rain occurs but may be modified to suit the conditions including training for annual education awards.
The decision to cancel activities due to adverse weather or surf conditions or other unforeseeable events will be made on the day and by a member of the Junior Activities team.
All children must have their name printed clearly on their competition (Club) skull caps and all other items of clothing (t-shirts, shorts, etc.).
We have a constantly full Lost Property bucket that sometimes exceeds capacity. Look after your kit and it will look after you.

HELPERS

Helpers are always needed to ensure that the day's events run safely and smoothly. Assistance is generally required from parents to act as finish judges, turning markers etc. Swim wades and 'party waves' are held in waist depth water and requires assistance and/or participation from as many parents/ guardians as possible.
Water safety is of paramount importance and parents willing to assist in this area are always most welcome. For insurance purposes, parents who assist on the beach or in the water MUST be financial club members (e.g. either senior active or associate). Water Safety Officers must have a (Surf) Bronze Medallion or a Surf Rescue Certificate and be currently proficient.

Uniform

Carlton Park's official competition uniform isawhite capwith two central red stripes separated by a single black strip and a swimming costume of thesame colours. Caps, costumes, rash vests and other Carlton Park Club clothing items are available for purchase at the Club most Saturday mornings at very reasonable prices or by contacting the Uniform Coordinator, Renee King.

Equipment

Carlton Park is very fortunateto have a good stockof the equipmentavailable for our Nippers to train on and we have an on-going commitment to continuallyupgrade this vitalequipment. However, our surf craft are not inexpensive, sorulesare in place to ensurethe equipment ismaintained in excellent condition so that it can last us for some time. We also acknowledge that our activities are dynamic and action packed, so, if any equipment becomes damaged **at any stage** please inform your Age Manager and they will notify our gear steward. Please don't feel intimidated about reporting damage, we ***need*** to know so that there can be repairs scheduled and completed, there is a small budget for this so please exercise all caution.

Private gear is at times stored in the compound. If you are not sure where to grab a club board from please speak to your Age Manager.

Craft &Equipment

CRAFT/EQUIPMENTRULES

- Look after it and respect it.
- Put it back **CLEAN** (hose all sand off).
- Put it back in its proper place.
- Boards set aside as competition boards are to be used **ONLY** for competition.
- Competition training by competitors authorised by the Gear Steward or Junior Activities team.
- Non-competitive boards may be used after events are finished at the discretion of the Gear Steward, or a member of the Junior Activity team.

Responsibility for children's safety rests with their parents after Club activities are finished.

• All boards **MUST** be returned at or before 1pm at the conclusion of training unless arrangements have been made to extend training, undertake specific training or to allow a "Party Wave "session. Such arrangements can only be made by the Gear Steward, Age Managers, Coaches or a member of the Junior Activity team.

Important – No standing on foam boards – they break!

BEACH SET UP AND PACK UP

Every week before Nippers can commence, equipment (boards, Age Group bins, flags, cones, etc) must be collected from the gear shed and assembled on the beach.
Likewise, at the conclusion, it must all be packed away.
Please lend a hand!

RULES TO REMEMBER

• Children are unable to participate in club endorsed sessions on the beach or in the water unless they are a registered and financial member.
• Children must wear their Club (skull) cap and hi-vis rash vest at all times during training session (SEAHORSES must wear their green skull caps and hi-vis rashie)
• For insurance purposes, parents are unable to assist on the beach or in the water unless they are a registered and financial member.
• No one is to enter the water when the beach is closed.
• All water safety must be operational before water activities can commence.
• Water Safety Officers wear orange vests and are responsible for the safety of children participating in water events. Water Safety Officers must be appropriately qualified – proficient bronze holders in addition to being registered financial members.
• Patrol members wear red and yellow quartered caps and are responsible for people swimming in the patrolled area – these are the only areas in which public swimming is recommended. Separate safe areas are designated for Nipper activities.
• The Patrol Captain of the day is the ultimate authority in relation to water activities and events.
• Club caps and pink rash vests must be worn at all times while participating in an event. A competitor who finishes an event without their cap on their head and tied securely will be liable to disqualification.
• No child will be able to participate in water events without first competently completing a Preliminary Skills Evaluation in accordance with their Age Group requirements.
• At the completion of Nippers, children MUST obtain their parents' permission and remove their skull cap before re-entering the water and swim only between the flags.

CARNIVALS

Carnivals are held on several weekends during the season, culminating with a 2 day (Sat and Sun) Junior State Championship, which is to be held at Burnie SLSC on 13th March & 14th March 2027.

Nippers who are eligible are encouraged to participate in our team. Competition against other clubs promotes sportsmanship, club loyalty and gives children the opportunity to mix with their peers. Emphasis is placed on participation and friendly competition rather than winning. Final selection of teams for team events will be the responsibility of the respective Age Manager in consultation with the Junior Activities Committee and Coaches. There will be communication from your Junior Management Team leading into carnivals in order to arrange entry.
